Dance Convention

ATTN: Registered Teachers RE: VIDEOTAPING POLICY

PLEASE READ!!! WE NEED YOUR COOPERATION.

We will continue to allow video taping by
registered teachers as long as the below policies are met:

- It is at the Triple Threat Faculty's discretion whether or not to allow videotaping in his or her class. You will be notified if it is not allowed.
- Only registered teachers are granted permission to videotape.
- Videotaping is strictly prohibited by observers & students.
- Do not film the students in class. Keep all focus on the faculty member and his/her assistant at all times.

If you notice these rules being broken, please bring it to our attention. Many complaints have been made over the past few years & we don't want to have to take this privilege away as we believe it is a helpful tool while attending Triple Threat.
